COMMENTS:

- Laura led the discussions well and provided a lot of great information.
- I like her very much. She's really helpful. She shares her own experience with us. She's conscious about the condition and situation of us as TAs.
- Laura gave us a lot of useful information which was not covered during sessions. Also she shared her own experience which helped and will help in my first semester.
- My mentor was very helpful in trying to answer everyone's questions. She tried to really ensure that all information was clear and was very knowledgeable.
- [A little bit politics forward about things on campus.]
